DECLARATION OF ETHICAL COMMITTEE CLEARANCE

(to be submitted by inventors along with the applications involving studies using biological samples requiring ethical committee clearance)

I/We,....., the inventor/s of the application '.....'
.....' declare that while conducting the experiments included in the aforementioned application, the ethical guidelines enclosed in 'NATIONAL ETHICAL GUIDELINES FOR BIOMEDICAL AND HEALTH RESEARCH INVOLVING HUMAN PARTICIPANTS' by Indian Council of Medical Research, have been scrupulously followed. The certificate issued by Institute Ethical committee is attached along with the application. I/We further understand that in the event of any violations from the guidelines, I/we, the inventor/s shall be solely responsible for the consequences including those along the legal lines. We further understand that our laboratory records pertaining to the study shall be subjected to scrutiny by experts to verify the experiments, as may deem necessary.

Name of inventor/s
